The Boy Scouts' Association

(INCORPORATED BY ROYAL CHARTER).

General Sir Robert Baden-Powell's Scout Movement is one of the most popular and successful of all the organisations started to give boys a manly, courageous outlook on life. Backwoodsmen, frontiersmen, sea rovers, etc., are his heroes, and through woodcraft, nature study, and camping, he is led on to acquire their qualities of self-reliance and resource, bodily health and energy, technical skill and handicraft, and a sense of service to the community.

Endeavours have been made to frame rules on such broad lines as to embrace all classes and all creeds, while allowing the greatest possible independence to individual organisations, officers and boys.

Citizenship and character training are the foundation of all Scout work. One aim of the Boy Scout scheme is to revive amongst us, if possible, some of the rules of the knights of old, which did so much for the moral tone of our race. The object is not so much to discipline the boys as to teach them to discipline themselves.

THE SCOUT PROMISE.

On enrolment the Scout makes the following promise :—

On my honour I promise that I will do my best—

To DO MY DUTY TO GOD AND THE KING,

To HELP OTHER PEOPLE AT ALL TIMES,

To OBEY THE SCOUT LAW.

THE SCOUT LAW is :—

- (1) A Scout's honour is to be trusted.
- (2) A Scout is loyal to the King, his country, his officers, his parents, his employers, and to those under him.
- (3) A Scout's duty is to be useful and to help others.
- (4) A Scout is a friend to all, and a brother to every other Scout, no matter to what social class the other belongs.
- (5) A Scout is courteous.
- (6) A Scout is a friend to animals.
- (7) A Scout obeys orders of his parents, patrol leader, or Scoutmaster without question.
- (8) A Scout smiles and whistles under all difficulties.
- (9) A Scout is thrifty.
- (10) A Scout is clean in thought, word, and deed.

THE

Sheffield Local Association of Boy Scouts.

ANNUAL REPORT, 1921-1922.

Your Executive begs to submit the following Report for the year ending September 30th, 1922.

Shortly, the past year may be summarised as one of very considerable activity, of disappointments overcome, and of unbounded optimism for the future. Primarily it is disappointing to find a further small decrease in numbers and, although this may partly be due to prevailing local conditions which have unfortunately been even worse than in the preceding year, the question of this continued retrogressive movement in the numerical strength is a cause of serious anxiety. Complaints come from the east end that there are plenty of boys but few Scoutmasters, while the west end complain that their Scoutmasters have insufficient boys to keep the troops in a state of efficiency and, in some cases, even in existence. There appears to be here one cause why Scouting in Sheffield is not going forward with the leaps and bounds which once characterised it, and it is a condition to be greatly deplored. Some means should be sought of drawing all parts of the City together for the common good. That the 3,000 odd Scouts in this Association are worthily upholding traditions cannot, however, be doubted and will, it is hoped, be proved by this Report.

A second great disappointment is that the Association's Scheme for becoming a "County" has met with fatal opposition at the hands of Headquarters Advisers. After much long and careful deliberation by a Special Sub-Committee, by the Executive and by Divisions a complete New Constitution was drawn up only to meet the fate referred to. Whilst disclaiming responsibility for any unfortunate consequences which may arise, the Executive recommends that the decision of Headquarters be accepted with loyalty.

Splendid new Headquarters have been taken in West Street on lease for 9½ years, and an Equipment Department has been started. Thanks to the activity of the Equipment Committee and the hard work put in by Scoutmaster Revill, who has been placed in charge, the shop has proved very popular and has met with welcome and encouraging success, of which more will be heard in the Financial Report. In this connection the Executive wish to place on record their appreciation of the help and support given by the Sheffield Council of Social Service.

The Annual Meeting of the Association was held at the Cutlers' Hall, when the Master Cutler, the late Mr. Marmaduke Wardlow, J.P., was in the chair and moved the adoption of the Annual Report. A number of trophies and Diplomas were presented and the Association received a gift in the form of a Statuette from their Chairman, Mr. A. Harland, as a memento of his visit to Canada. Your Executive cannot let this opportunity pass without expressing their deep sympathy with the family of the late Mr. Wardlow in their recent sad loss.

SPORTS.

The same football leagues as last year namely "The Leslie," "The Harland" and "The Pearson" have been organised and inter-Association Sports Fixtures have been held in conjunction with the Boys' Brigade and Boys' Life Brigade. The Scouts gained four victories by beating the Boys' Brigade and the Boys' Life Brigade in both the senior and junior football matches, but they lost to these Associations in the two corresponding cricket events. The Scouts won the Edgar Allen Banner for swimming by beating the Boys' Brigade and the Boys' Life Brigade.

The following items stand out as very particularly meritorious.

100 yards Yorkshire Junior Swimming Championship won by Scout C. Howard of the 11th Troop and Scout G. Bartlett of the same Troop was runner up in the 100 yards Yorkshire Senior Swimming Championship. Scoutmaster G. W. Parker, 119th Troop, played Water Polo for Yorkshire and in the English Trial Match.

PERSONAL.

Probably no appointment has created more widespread satisfaction than that of your Chairman, Mr. A. Harland, to be District Commissioner, and the Executive extends to him their warmest appreciation.

By the resignation of Mr. J. J. Phipps, who has so ably and generously acted as Gymnastic and Boxing Instructor, the Association loses a loyal friend to whom the very best thanks are due.

It is pleasing to record that Imperial Headquarters have sanctioned the issue of an Honorary Instructor's Warrant to Mr. Phipps.

The thanks of the Association are due to Mr. B. C. Davies for so kindly auditing the accounts submitted by the Finance Committee.

Your Executive express their very warmest thanks to all who have helped the Association, either by recording and giving publicity to its activities or by personal or monetary services.

HONORARY SECRETARY'S NOTE.

Since the above Report was written and adopted at the Annual General Meeting, certain Troops and Packs whose returns were late in being sent in have been accepted for re-registration by the County Commissioner. The numbers therefore are not so disappointing as was feared, and the growing anxiety which was felt has been somewhat allayed. Nevertheless, it is hoped that all who read this will unite in helping the Scouts to increase their numbers that they may more widely spread their influence and thereby create, in the City and throughout the Country, that which is at present very greatly needed—"good citizenship."

HOW TO START A TROOP.

1. Read "Scouting for Boys" and "Aids to Scoutmastership," by the Chief Scout, in order to lay hold of the principles underlying the Scout Movement.

2. Read also "How to run a Troop," by Ernest Young, B.Sc., and "The Patrol System," by the Hon. Roland Phillips, both of which books give some very sound advice as to the running of a Troop.

3. Get a Club Room. Schools and Parish Halls are often available for use as a Troop Headquarters. It is a good plan to get a room which the boys can call their very own, and which the Scouts themselves can take pride and pleasure in helping to fit up, etc.

4. Train half a dozen boys to be Patrol Leaders, say up to the stage of Second Class Scouts. By starting carefully and in a small way, it will be found that after a few weeks there is the nucleus of a thoroughly sound Troop, which will expand on the right lines, and with much less trouble than if there had been more boys at first.

5. Admit applicants and form the Troop into Patrols of six or eight boys each.

6. Form a Troop Committee from amongst the boys' parents and others. This Committee would be responsible for the provision of suitable Headquarters, for the management of Troop Finance, and for the recommendation for the appointment or dismissal of a Scoutmaster.

7. Appoint an Assistant Scoutmaster to ensure the continuity of the Troop. Scoutmasters should ask those friends to join to whom they would like to entrust the Troop if they leave.

8. After three months apply to the Secretary, G. V. Dalby, Scout Office, 84, West Street, Sheffield, for Registration Forms.

Arrangements will then be made for a member of the Executive Committee to visit and examine the Troop on a meeting night.

According to our rules, all Patrol Leaders should be well up in Tenderfoot work. If the visitor is satisfied, the Troop will be duly proposed for affiliation.

After election, an Affiliation Fee of Five Shillings and an Annual Subscription of Five Shillings must be paid.

9. Each Troop in the Association has a neckerchief of distinctive colours. These colours must be settled in consultation with the Secretary, to prevent duplication.

10. Read "Headquarter's Gazette" regularly. Copies may be obtained through any Bookseller or from Local Headquarters, on the 15th of each month, price 3d.

COST OF RUNNING A TROOP.

1. Rent of Premises: This varies, but in the case of Troops attached to Schools or Churches, the rent is usually nominal.

2. Cost of establishing a Troop: An affiliation fee of five shillings paid to the Local Association.

3. Working Expenses: Defrayed by a subscription of about one penny per week, contributed by each Scout.

4. Cost of Uniform: The Uniform, consisting of shorts, shirt, hat, scarf, belt, and staff, can be obtained at the cost of about fifteen shillings.

5. Camp Gear: Much of this can be made at Troop Headquarters. Funds from a Troop Concert or Display are often devoted to the purchase of necessities.
